

Caustic Spills

Spills on Skin

60 minutes

Brush off any powder.
Immediately flush under running water for at least 60 minutes. Keep patient warm.

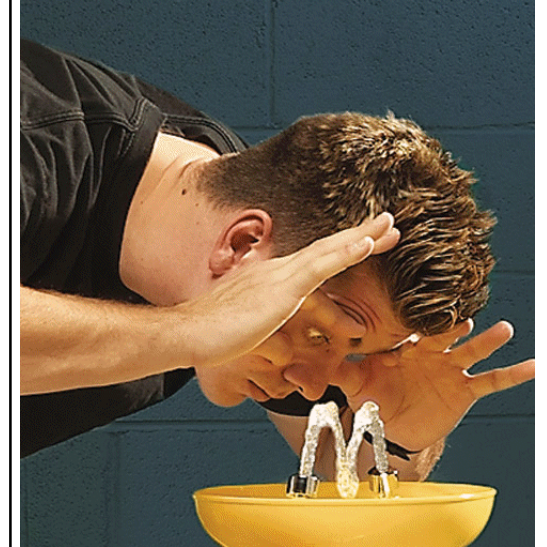

DO NOT use vinegar

Spills on Clothes

Brush off any powder.
If spill is on a teeshirt or sweater, cut clothing off.
DO NOT pull over head, or you could burn the face or eyes. Then treat as for spills on skin.

Eye splash

Immediately wash eyes with running water and continue until help arrives.

DO NOT use vinegar

Prevention is better than cure. Wear protective clothing. Wipe up spills. Store chemicals safely.
